Hello Nicole,

Thank you for getting back to me. It looks like a number of the listed persons are not EPA employees so we would not maintain records for them. However the first three I believe are employees at EPA. Could you please have a look at the search terms below and let me know if you approve this as a modification the request? Please also provide a start date and end date for the records search and an answer to the other question below. Thank you.

EPA Employees to search:*[Nicole Policarpo]* **Yes, please search these EPA employees**

Hayley Hughes

Bruce Berkley

Sharlene Matten

Date range: Start date? to End date?*[Nicole Policarpo]* **January 2017-April 2020**

Keywords to search: "Draft Risk Evaluation" OR "Asbestos" OR "EPA-740-R1-8012"*[Nicole Policarpo]* **I approve these terms.**

Question: Are you interested in emails to and from the non-EPA employees below? If so, we can narrow the review after the collection above (searching three EPA employees) for only emails and attachments to/from these non-EPA employees.*[Nicole Policarpo]* **Yes, please do**

these additional searches, but if they do not yield any results, I would still like the documents from the initial search parameters.
